

Reference material – National policing position papers

This page is from APP, the official source of professional practice for policing.

First published 23 October 2013 Updated 17 November 2020

Written by College of Policing

1 min read

These position statements provide practical guidance and support to operational officers and staff conducting, supervising or advising investigative interviewing.

They have been developed by subject matter experts and experienced, skilled practitioners with the support of the National Crime Agency and College of Policing. They are reference material endorsed by the National Policing Lead for Investigative Interviewing.
